

**CONGRESSIONAL BUDGET OFFICE  
COST ESTIMATE**

October 26, 2007

**H.R. 3921**

**Procedural Fairness for September 11 Victims Act of 2007**

*As ordered reported by the House Committee on the Judiciary on October 24, 2007*

H.R. 3921 would amend the Air Transportation Safety and System Stabilization Act (Public Law 107-42) to permit subpoenas issued under that law to be served anywhere in the United States. Current law limits the service of certain subpoenas under P.L. 107-42 to locations within 100 miles of the United States District Court for the Southern District of New York. CBO estimates that implementing this change in judicial procedure would result in no cost to the federal government. Enacting H.R. 3921 would not affect direct spending or receipts.

H.R. 3921 contains no intergovernmental or private-sector mandates as defined in the Unfunded Mandates Reform Act and would not affect the budgets of state, local, or tribal governments.
