

**CONGRESSIONAL BUDGET OFFICE
COST ESTIMATE**

July 18, 2012

H.R. 6080

**A bill to make improvements in the enactment of title 41,
United States Code, into a positive law title and to improve the Code**

As ordered reported by the House Committee on the Judiciary on July 10, 2012

H.R. 6080 would make conforming, clarifying, and technical changes to most titles of the United States Code that address public contracts. Information from the Office of Law Revision Counsel indicates that the bill would make no substantive changes to the law; therefore, CBO estimates that enacting H.R. 6080 would have no significant impact on the federal budget. The bill would not affect direct spending or revenues; therefore, pay-as-you-go procedures do not apply.

H.R. 6080 contains no intergovernmental or private-sector mandates as defined in the Unfunded Mandates Reform Act and would not affect the budgets of state, local, or tribal governments.

The CBO staff contact for this estimate is Matthew Pickford. This estimate was approved by Theresa Gullo, Deputy Assistant Director for Budget Analysis.
